Afterglow

*I'd like the memory of me
to be a happy one.
I'd like to leave an afterglow of
smiles when day is done.
I'd like to leave an echo
whispering softly
down the ways,
Of happy times,
and laughing times,
and bright and sunny days.
I'd like the tears
of those who grieve to dry
before the sun,
Of happy memories
that I leave behind
when the day is done.*

Footprints in the sand

One night I had a dream. I was walking along the beach with the Lord, and across the skies flashed scenes from my life. In each scene I noticed two sets of footprints in the sand. One was mine, and one was the Lord's. When the last scene of my life appeared before me, I looked back at the footprints in the sand, and, to my surprise, I noticed that many times along the path of my life, there was only one set of footprints. And I noticed that it was at the lowest and saddest times in my life. I asked the Lord about it: "Lord, you said that once I decided to follow you, you would walk with me all the way. But I notice that during the most troublesome times in my life there is only one set of footprints. I don't understand why you left my side when I needed you most." The Lord said: "My precious child, I never left you during your time of trial. Where you see only one set of footprints, I was carrying you."
